December 20, 2005

PREVIOUSLY NOTICED FREEWAY CLOSURE FOR SOUTHBOUND INTERSTATE 215 NOW SET FOR DECEMBER 22 WITH CHANGES TO DETOUR

As previously noticed, State Route 210 freeway construction will require several nightly ramp closures at the intersection with Route 30 in San Bernardino from December 19 to 21. However, changes have been made to the date and detour route for the southbound Interstate 215 closure. The following is a summary for the new closure information:

December 22 – 9 p.m. to 5 a.m.

Full closure of southbound Interstate 215 including the University southbound on-ramp. Motorists will be detoured off the freeway at University Parkway then east to Kendall Drive southeast to Little Mountain Drive south to 27th/Mount Vernon Street and west to the Interstate 210 southbound on-ramp.

Each night signage will be placed to guide motorists through these detours. Please drive very carefully and slowly through this area and follow all posted signs.

For more project information, call the Route 210 toll-free helpline at 1-866-HELP-210 or visit the SANBAG website at www.sanbag.ca.gov. SANBAG and Caltrans appreciate your patience during construction of this new freeway. Please allow extra time when traveling through the construction area and follow all signs and detour routes.

Remember: Safety: It's no accident!
